RALEIGH—The North Carolina Indian Economic Development Initiative (NCIEDI) moves into new locations. NCIEDI will be open for business on Monday May 18th at 5800 Faringdon Place, Raleigh, NC 27609 and 636 Prospect Road, Pembroke, NC 28372.

### *Message from the CEO*

The NC Indian Initiative Economic Development Initiative exists as a statewide organization to promote economic development, business growth and job creation for NC Indians. We are looking forward to continuing to support the Indian Businesses, Tribes and Indian Urban Organizations at a very high level statewide from our new Raleigh and Pembroke locations. We have partnered with LRDA (Lumbee Regional Development Association) to maintain a satellite office in their facilities in Pembroke.

The Indian Economic Development Initiative is a resource for NC American Indians to create networks and partnerships for business related activities, that promotes growth, profits and jobs. We also advocate and manage programs that will better serve our people with additional opportunities such as financial and economic awareness for all, including our youth! It has been a pleasure serving the Indian Communities for the last few years and we are working diligently with our Board of Directors to enhance the programs offered. Please contact us at our Raleigh Office (919-232-9414) or Pembroke Office (910-732-3950) for more information. Again, thank you for your support and we are excited to be able to better serve you from multiple locations.
